Arrival and departure

Under requirements set out by the Children's Service Regulations 2009, parents/guardians must sign their child in each day and out prior to departure and must include the name of the child, who will be collecting the child, signatures of parent/guardian and a contact phone number.

Collection of children

To ensure the safety of the child, only authorised people will be allowed to collect the child from the Centre. It is the parents/guardian responsibility to inform the Centre of any changes to the authorised people.

If you are unable to collect your child, crèche staff must be informed in writing or via the telephone of the name of the person who will be collecting your child. The person collecting the child will need to provide photo identification before the child will be released into their care.

Illness/injury

Children who are infectious or unwell should be kept at home. In the event of an illness or injury the parent/guardian will be contacted immediately.

Medication

Due to the short nature of the sessions it is preferred that any medication is administered prior to arriving for the session. If your child requires medication during the session please speak to the crèche staff on duty. Medication will only be administered by crèche staff with written permission and an accurately completed medication form.

Anaphylaxis/asthma action plans

If your child has an allergy or asthma, you may be provided with an action plan from your doctor. This document must be signed by your doctor. We will need a copy of this plan prior to enrolment.

PLEASE NOTE: PARC Crèche is a nut free Centre. We also strongly recommend NO popcorn as it is a choking hazard to younger children.

Snacks – PARC Crèche promotes healthy eating so please bring healthy snacks for your child (ren) only. This may contain fruit, yogurt, vegetables, rice cakes or sandwiches.

What to bring:

- Clearly labelled bag and change of clothes
- Sufficient nappies
- Clearly labelled drinks, including bottles

- Hat and jacket in winter

We are unable to store prams in crèche or in the foyer due to health and safety reasons.
